#	Suppliers' Queries	MCA-Liberia's Responses
1.	<p>Lot 1 lists requirements for One (1) Off-Road Standard Utility Vehicle (SUV) and three (3) 4x4 Double-Cabin Pickups We should like to inquire if it would be possible to split this lot into 2 separate lots; a lot for the SUV and a separate lot for the Pickups? This would allow us to submit our proposal for the Pickups (unfortunately we do not have a match for the listed SUV).</p>	<p>No. The RFQ provisions prevail.</p>
2.	<p>Lot 2 lists requirement for One (1) Sedan We should like to present a proposal for Lot 2. However, in order to meet the listed technical requirements, we hereby request if possible, to amend the technical details as follows: Max.power, Max. Torque, Cylinders and Transmission.</p>	<p>No. Specifications provided in the RFQ prevail. Offers will be evaluated based on the criteria specified in the RFQ.</p>
