RESPONSES TO REQUEST FOR CLARIFICATION

Ref: Ref: 4A430/ME/002

Supply, Delivery and Installation of Online Geographic Information System (GIS) ICT Infrastructure Support for Liberia Electricity Corporation (LEC)

Following the advertisement and issuance of the Request for Quotation (RFQ) for the **Supply, Delivery and Installation of Online Geographic Information System (GIS) ICT Infrastructure Support for Liberia Electricity Corporation (LEC)**, Service Providers were provided the opportunity to ask questions and request clarifications related to the RFQ in writing up to January 20, 2020.

The following are the requests for clarification from the Service Providers and MCA-Liberia's responses:

#	Service Providers' Queries	MCA-Liberia's Responses
1.	From Appendix 1, item 4 under "Services to be Provided"; Please clarify the total number of staff (both temporal and permanent) expected to assume the role of <ul style="list-style-type: none"> • Field workers/Data collectors • Back-end users/Office staff users • Super-users or Administrators 	<i>Refer to Addendum 1 to the RFQ.</i>
2.	From Appendix 2, item 2 (Quotation Price), please specify the software maintenance duration (in years) that the Service Provider should provide quotation on.	<i>Refer to Addendum 1 to the RFQ.</i>
3.	What is the size of data expected to be stored online/ on the cloud?	<i>Refer to Addendum 1 to the RFQ.</i>
4.	How should we price expenses related to monthly cloud storage services? These	<i>Refer to Addendum 1 to the RFQ.</i>

#	Service Providers' Queries	MCA-Liberia's Responses
	expenses can be expected to be billable as long as this project is running.	
5.	Do you already have a GIS system in place? If yes, which one?	<i>Refer to Addendum 1 to the RFQ.</i>
6.	In Annex 1, 4 e, you mention that a training will be required on a need to do basis for 80 temporary staff and 10 permanent staff. Should we assume that in the future there will be a maximum of only 10 simultaneously operating staff?	<i>Refer to Addendum 1 to the RFQ.</i>
7.	Do you expect the bidder to also include pricing and installation for computers and field tablets?	<i>Refer to Addendum 1 to the RFQ.</i>
8.	Do you expect the bidder to also include pricing and installation for GIS software? If yes, how many simultaneous users?	<i>Refer to Addendum 1 to the RFQ.</i>
