**PRE-SOLICITATION CONFERENCE**

**CONSTRUCTION OF A RAMP AND CHANNEL TO PROVIDE A WATER FLOW  
CONNECTION TO FACILITATE PRAWN MOVEMENT AT MOUNT COFFEE  
HYDRPOWER PLANT**

The United States of America, acting through the Millennium Challenge Corporation (MCC) and the Government of Liberia (GoL) have entered a Millennium Challenge Compact for Millennium Challenge Account assistance to help facilitate poverty reduction through economic growth in Liberia (the "Compact"). The Government, acting through the Millennium Challenge Account - Liberia (MCA-Liberia), intends to hold a Pre-Solicitation Conference with interested contractors to inform them about the up-coming requirement for the construction of a Ramp and Channel to provide a water flow connection to facilitate Prawn movement (Prawn Passage) at Mount Coffee Hydropower Plant.

The Scope of Work comprise the construction of a ramp and channel to convey water from the Mount Coffee Reservoir to the tailrace of the Mount Coffee Dam, complete with all its associated works as per the bills of quantities and specifications provided in the Bidding Document. The purpose of the ramp and channel shall be to facilitate prawn movement past the Mount Coffee Hydropower Project.

The tasks to be performed by the Contractor shall include, but not be limited to, the following:

- Obtaining all required permits, including construction and environmental permits.
- Construction, Commissioning and Testing; As-built Drawings; Preparation of Operation & Maintenance Manual; Remedy of defects during the Defect Notification Period (DNP).

Channel shall be constructed per design drawings and specifications, which will be provided by MCA-L.

The Pre-Solicitation Conference will include presentations on the details of the facilities to be constructed, on the technical qualifications and experience required of the contractors and on important provisions of the bidding documents that will be used to request bids.

The Pre-Solicitation Conference will be held on **July 8, 2019** at Mount Coffee Hydropower Plant. The exact time will be sent to prospective bidders who express interest in attending the Conference.

MCA-Liberia now invites interested contractors to express their interest in participating in this Pre-Solicitation Conference. In your response, please provide the name of your firm and of the representative who will attend, including email address and mobile phone number. In-person attendance will be limited to only two representatives from each firm. MCA-L will then contact you with details on the schedule and provide an agenda of the topics that will be addressed.

To confirm your interest in attending the Pre-Solicitation Conference, please send an email to the address below by **June 24, 2019**.
