1. Summary of Services:

MCA-Liberia is seeking the assistance of an Individual Consultant (“Consultant”) to draft and develop the Compact Completion Report (CCR). The CCR is intended to provide MCA-Liberia’s perspective on: (a) the performance of the Compact relative to its stated objectives (as detailed in the Compact), (b) factors (positive and negative) that affected implementation and the achievement of outcomes, and (c) key lessons learned during the implementation period. For the avoidance of doubt, the CCR should cover all Projects included in the Program, including those for which LEC is the Accountable Entity. The CCR also offers recommendations that could guide consideration of similar projects in the future.

Location and Duration. The location of the assignment is Monrovia, Liberia. The contract will span six months as of its effective date.

The required qualifications for the Individual Consultant to be considered are indicated in the TOR. Please refer to the detailed TOR included in the Letter of Invitation (LOI) under Section 2 (Terms of Reference).

2. Application Procedure:

- a) Consultants should register their interest by sending an e-mail (with subject **MCA-Liberia Compact Completion Report (CCR) Consultant**) to the Procurement Agent at MCALiberiaPA@cardno.com, giving their full contact details. This will ensure that the Consultants receive a copy of the LOI and any updates.
